

USEFUL INFORMATION

You have a civic and moral obligation to your neighbors and indeed your Association, to keep your property clean and neat at all times.

Please respect your neighbors' slumber and stop all unnecessary noise or disturbance by 11:00 p.m.

Town ordinance requires homeowners to affix house numbers to your house that are at least two inches tall and are clearly visible from the road.

Put your trash in the appropriate town provided containers as late as possible on Wednesday for collection by the Town of Enfield on Thursday of each week and remove empty containers as soon as possible. Large trash can be picked by contacting the Town of Enfield. Recyclables are collected on alternate Thursday's and yard waste is collected each Friday.

The lake is lowered each fall to allow property owners to remove debris and leaves from the lake bottom and make repairs to beaches and retaining walls, etc. Permitting is required in accordance with the Town of Enfield regulations.

Any trees that have fallen into the lake are the responsibility of the homeowner and shall be removed within thirty days.

Please obey posted speed laws (20 MPH) as our roads are extremely narrow and hazardous under the best driving conditions.

Miscellaneous Information:

Schools:

For information on school bus stops, contact The Board of Education located at Thomas Alcorn School on Enfield Street.

Postal Service:

Each house within the Association area must have a usable mailbox with their house number clearly printed on it located at the roadside. This is a rural route.

Fire Department:

The Shaker Pines Fire Department is a combination volunteer/career department located on 37 Bacon Road. For more information about the fire department, please see their website at www.spfd.net.

Voting:

The Lake Association is in Connecticut's 59th District and Enfield's 4th District. Voting is done at Henry Barnard School on Shaker Road.

For more information about the Town of Enfield please see their website at www.enfield-ct.gov.
